

10 Week Programs

Session #1 _____ - _____

Session #2 _____ - _____

“Archery is a confidence builder in kids”

Our program is designed to enhance personal development and to build confidence in your abilities as an archer.

Our goal is to teach the fundamentals of target archery in a positive environment. To make competitive winning enjoyable, not high-pressured.

This program will build self-esteem in an encouraging atmosphere.

Qualifying Rounds

Lakeside Archery J.O.A.D. holds “Official Qualifying Rounds” for Junior Olympic Ranking every third week. At these classes they shoot for a score against themselves to progress through various levels of recognition. At other classes the focus is on practice, learning, and having FUN.

Lakeside Archery J.O.A.D. Staff

Steve Dunsmoor is an accomplished archer and has won a number of local tournaments for over 20 years, including the 2006 State of Maine 3D Champion Best of the Best. He is a certified NAA Level IV National Coach. Steve is also the owner and operator of Lakeside Archery in North Yarmouth, Maine.

Joe Hunt is a certified NAA Level II Instructor and has been involved in archery since 1960. He has extensive knowledge in tournament archery and bow mechanics, as well as shooting form and techniques.

Although we do not demand perfect attendance, in order to keep your time spot open we do require attendance 3 times per month. Otherwise your spot may be lost to someone waiting to get into the program.

A Bit About Lakeside Archery

Lakeside Archery was started as a dream in 1990 in the basement of Steve's home on Forest Lake. That dream, and a lot of hard work, has finally come together. In the past 16 years it has grown into a complete full service Pro-Shop.

Steve had a strong desire to obtain his coaching certifications to improve his teaching, coaching, and personal archery skills. This has allowed him to certify a number of new instructors. He is also involved with local community service programs, as well as teaching programs with the Boys and Girl Scouts, the Maine Hemophiliac and the YMCA to name just a few. Steve's goal and all of the staff at Lakeside Archery is to continue their education and pass that knowledge to interested children and adults.
